From Colchester follow A120 heading towards Stansted Airport.

After Braintree take the turning for Felsted (B1417). At the roundabout turn right (sign posted in brown - Blake House Craft Centre). At the T-junction turn left.

Follow this road for half mile. You will see a garage on the right, shortly after this, take the slip-road on the left. Show Carriage is first building on the right.

From M11 follow A120 heading towards Colchester.

From the M11 North, take the exit at Junction 8, sign posted A120 (heading towards Stansted Airport/Colchester). After approximately 3 miles you will see an exit for Great Dunmow/B1256. Proceed along the B1256 for a further 3 miles towards Felsted (also sign posted in brown - Blake House Craft Centre).

When you see a turning on the right for Felsted **don't take it**. After approximately 3 miles you will see a left hand turn for Stebbing Airfield, at this point you should slow down. The Show Carriage office is situated on the right hand side within a few hundred yards. There is a large Show Carriage sign on the wall on the right. Immediately after this sign take the sharp right hand turn leading to our office and car park.

If you pass the 'Oak Garage' on the left and a large pub called Palm Trees you have missed us, turn around at the next roundabout and come back.
